B. Pursuant to 2 N.N.C. Section 501 (B)(2), the Resources Development Committee of the Navajo Nation Council has the authority to give final approval for all land withdrawals, non-mineral leases, permits, licenses, rights-of-way, surface easements and bonding requirements on Navajo Nation lands and unrestricted (fee) land. This authority shall include subleases, modifications, assignments, leasehold encumbrances, transfers, renewals, and terminations.

Section Two. Title 16 of the Navajo Nation Code Provisions with Respect to Acreage of Mission Sites

A. Pursuant to 16 N.N.C. § 1159 (B) the following acreage limitations shall apply to all applicants for permits:
1. Mission site for purely religious activities: one and one-half (1 1/2) acres;
2. Mission site for religious activities and community services facilities: three and one-half (3 1/2) acres;
3. Mission site for religious activities and either substantial medical or accredited educational programs: eight (8) acres; and
4. The Resources and Development Committee may, in the case of applications for mission sites in or near areas withdrawn for townships in the Navajo Nation, limit site acreage to less than two and five-tenths (2 5/10) acres, and may set rental fees with due regard for present or future competing demands for land use in such areas.

D. Pursuant to 16 N.N.C. § 1159 (C) "community service facilities" shall be deemed to include only those permanent improvements upon the permitted site which are for the purpose of providing recreational programs, non-religious educational programs, including adult education, and other non-religious programs of benefit to the community.

E. Pursuant to 16 N.N.C. § 1160 (A), the acreage limitations established by 16 N.N.C. § 1159 may be waived by the Resources and Development Committee upon a showing by the applicant that planned programs will be of sufficient benefit to the Navajo People to justify waiver of acreage limitations. No waiver of acreage limitations shall be granted unless the applicant has complied with 16 N.N.C. §§ 1153 and 1161, and all other procedures provided by law.

F. Pursuant to 16 N.N.C. § 1160 (B) no waiver of acreage limitations shall be granted in cases of applications subject to acreage limitations established by 16 N.N.C. § 1159(B)(1) (regarding a mission site for purely religious activities which is limited to one and one-half acres).

Section Three. Findings
A. The Old Paths Baptist Church, Post Office Box 455, Window Rock, Arizona 86515 has applied for a mission site permit within the Fort Defiance Chapter. The application is attached as Exhibit E.
B. The proposed mission site is to be located on 3.50 acres, more or less, of trust lands within the vicinity of Fort Defiance, Navajo Nation (Arizona). The land description appears on the survey plat attached hereto and incorporated as Exhibit B.

C. The Grazing Representative in memorandum dated January 25, 2018 identified two land users. The January 25, 2018 memorandum and consent documentation are attached as Exhibit C.

D. The Fort Defiance Chapter Resolution No. FDC-2017-09-05-02 supporting the Old Paths Baptist Church for a mission site permit and the signed petition by the local residents in support of the Old Paths Baptist Church are attached as Exhibit D.

E. Pursuant to 16 N.N.C. § 1159 (B) the acreage limitations for permits for a mission site for religious activities and community services facilities is three and one-half (3 1/2) acres. The Old Paths Baptist Church request is for three and one half (3.5) acres.

F. The Old Paths Baptist Church request for three and one-half (3 1/2) acres is stated in a document, attached as Exhibit E. It states, in part, that “Old Paths Baptist Church facilities need to include buildings to accommodate youth classes, programs and recreational activities. It is our desire to install a basketball court, volleyball court and other such necessities to reach out and enhance the lives of our youth. We host Youth Summer Camps and Vacation Bible School Programs. In my experience, we have seen 100 or more youth attend Vacation Bibles Schools and Summer Camps. With 3.5 acres we would have the necessary space to expand as much as might be necessary to be successful in ministering and educating the local youth.”

G. The Resources and Development Committee finds that the planned programs stated in Exhibit E are sufficient to demonstrate the use of the three and one-half (3.5) acres for community service activities pursuant to 16 N.N.C. § 1159 (B).

H. Resources and Development Committee Resolution No. RDCJN-33-15 delegated the authority to process and approve Land Withdrawals to the Director of the Navajo Land Department. Resolution RDCJN-33-15 approved Land Withdrawal Designation Regulations (“Regulations”). Section One of the Regulations states:

“§1. Purpose.
The purpose of these Regulations is to clarify and expedite the Land Withdrawal Designation process on the Navajo Nation, and explains that a Land Withdrawal Designation does not authorize development or disturbance on Navajo Nation land. This Land Withdrawal Designation process does not apply to how to get a lease. Prior to any development on land, a lease must be obtained in addition to the withdrawal. The purpose of a Land Withdrawal Designation is to designate an area of land for further development by,

a. Ensuring that the rights of grazing permittees, who are in compliance with their grazing permits, are properly addressed as applicable and as required under 16 N.N.C. §§ 1401 et seq. and to prevent any subsequent claims to the land; and

b. Ensuring that the affected Chapter supports the Land Withdrawal Designation and use of the land.”

I. Having received the consents of the land users, Exhibit C, and the receipt of the Fort Defiance Chapter Resolution No. FDC-2017-09-05-02, Exhibit D, the purpose of the Land Withdrawal Designation has been met ensuring the rights of grazing permittees have been addressed and ensuring that the affected Chapter supports the Land Withdrawal Designation and use of the land as a mission site.

J. The Resources and Development Committee approval of a Land Withdrawal for the purposes of a mission site with this legislation will serve a public purpose of expediting the process of the approval of a Mission Site Permit.

K. The Terms and Conditions for the Mission Site Permit is attached as Exhibit A.

L. Biological Resources Compliance Form, the Cultural Resources Compliance Form and the Archaeological Inventory Report Documentation for the Old Paths Baptist Church are attached as Exhibit F.

M. The application for mission site permit has been reviewed through the Executive Official Review Document No. 010186, including the Department of Justice, and found “Sufficient” or “Approved.” Executive Official Review Document No. 010186 is attached as Exhibit G.
