INTRODUCED BY

TRACKING NO. 0314-19

AN ACTION
RELATING TO RESOURCES AND DEVELOPMENT; AMENDING 5 N.N.C.
AUTHORITY PLAN OF OPERATION

Section One. Authority
A. The Resources and Development Committee is established as a standing committee
of the Navajo Nation Council. 2 N.N.C. §500 (A).
B. The Resources and Development Committee is empowered to grant final approval
of amendments to the Navajo Engineering and Construction Authority’s Plan of
Operation recommended by the Navajo Engineering and Construction Authority
Board of Director. 5 N.N.C. §1981.
C. 5 N.N.C. §1981 states: Amendments. This Plan of Operation may be amended from
time to time by the Board of Directors of NECA with the approval by the
appropriate oversight committee of the Navajo Nation Council. Provided however,
that §§ 1972(B)(17), 1973(F) and 1980 shall not be amended except by the Navajo
Nation Council, and to that extent the authority of the appropriate oversight
committee of the Navajo Nation Council to adopt and amend this plan of operation
is limited.

Section Two. Findings
A. The Navajo Engineering and Construction Authority (NECA) is a business enterprise owned and operated by the Navajo Nation.

B. NECA's Plan of Operation is codified in the Navajo Nation Code at 5 N.N.C. §1971 et seq.

C. Pursuant to its stated purposes, 5 N.N.C. §1972 (A), NECA since its creation in 1970, has engaged exclusively in horizontal construction, i.e., highway and road construction, dam construction and water line construction.

D. NECA has the ability and capacity to engage in vertical construction, i.e., commercial and housing construction. The proposed amendments to 5 N.N.C. §§1972 (A) (1) and (4) would allow NECA to expand beyond its stated purposes and continue to assist the Navajo Nation in its nation-building efforts.

E. The proposed amendments of the NECA Plan of Operation sections concerning the NECA Board of Director's appointment, confirmation and officers at 5 N.N.C. §§1972 (C), (D), and (G) would provide clarification.

F. NECA as a business enterprise needs to respond timely and quickly to business opportunities.

G. Deletion of the Navajo Nation President's or his designee's ex officio membership on the Board of Directors, 5 N.N.C. §1973 (A), and the deletion of oversight committee's approval of NECA's business association, 5 N.N.C. §1972 (B) (15), would remove or minimize political influence on the business operations and affairs of NECA and would further, allow NECA to respond quickly to business opportunities.

H. Since its creation in 1971, NECA has developed into one of the most successful Navajo Nation owned business enterprises.

I. NECA has declared dividends of $18,250,000 and has returned that amount to the Navajo Nation as return on the Navajo Nation’s initial investment of heavy equipment.

J. Pursuant to 12 N.N.C. §1181, et seq., NECA Trust Fund for Scholarship and Financial Assistance, the NECA dividends are dedicated to scholarships for Navajo college students.
K. NECA has an annual average employment of 307 and its employment number will increase as will its revenue with new business ventures.

L. NECA is subject all Navajo Nation laws including taxation, employment preference, business preference.

M. NECA pays Navajo Nation taxes and has paid over $334,340 of taxes each year.

N. NECA subcontracts Navajo-owned small businesses and helps the development of small Navajo-owned businesses on the Navajo Nation.

O. NECA has constructed over 750 miles of highway and constructed thousands of miles of waterlines on the Navajo Nation.

P. NECA is an example of how to keep Navajo dollars on the Navajo Nation.

Q. The resolution of the Navajo Engineering and Construction Authority Board of Directors, dated June 26, 2019, supporting the amendments is attached as Exhibit A.
