Section Two. Findings

B. On March 11, 2020, the Navajo Nation Commission on Emergency Management, with the concurrence of the Navajo Nation President and Vice President, declared a Public Health State of Emergency on the Navajo Nation due to the presence of COVID-19 in areas surrounding the Navajo Nation. Resolution No. CEM 20-03-11.

C. The Navajo Nation Department of Health has issued Public Health Emergency Orders including: Order No. 2020-001 dated March 18, 2020 (declaring the outbreak of COVID-19 and limiting mass gatherings); Order No. 2020-002 dated March 19, 2020 (quarantining the Chilchinbeto Community); Order No. 2020-003 dated March 20, 2020 (ordering individuals living on the Navajo Nation to stay home and shelter in place except for essential activities, prohibiting visitors to the Navajo Nation, and
closing all businesses on the Navajo Nation except essential businesses); Order No. 2020-004 dated March 29, 2020 (implementing a daily curfew from 8:00 p.m. to 5:00 a.m. for all Navajo Nation residents, extending the shelter in place order, and further limiting public gatherings); Order No. 2020-005 dated April 5, 2020 (implementing a 57-hour weekend curfew on April 10-13); Order No. 2020-006 dated April 16, 2020 (extending the weekend curfew for April 17-20 and April 24-27, and closing Navajo Nation essential businesses during curfew hours); Order No. 2020-007 (requiring face masks in public); and Order No. 2020-008 dated April 29, 2020 (extending the weekend curfew to May 11). D. As of May 5, 2020, the Navajo Nation Health Command Operations Center has confirmed a total of 2474 COVID-19 cases on the Navajo Nation and 73 related deaths.

F. The CARES Act provides the Coronavirus Relief Fund shall be used to cover only those costs that:

   a. are necessary expenditures incurred due to the public health emergency with respect to COVID-19;

   b. were not accounted for in the Tribal budget most recently approved as of March 27, 2020; and

   c. are incurred from March 1, 2020 through December 30, 2020.

G. On April 22, 2020, the U.S. Treasury issued “Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments” (hereinafter “Treasury’s Guidance”) related to the permissible uses of the Coronavirus Relief Fund. Exhibit B.
Examples of eligible expenditures and ineligible expenditures are included in Treasury's Guidance.

H. Under the CARES Act, the Department of the Treasury Inspector General has authority for monitoring and oversight of the receipt, disbursement, and use of the Coronavirus Relief Fund. A Tribal government’s use of the funds for ineligible purposes will become a debt owed to the federal government and the federal government is authorized to recoup the ineligible funds from the Tribal government. In addition, the Tribal government must return unexpended funds to the U.S. Treasury.

I. The Secretary of the Treasury, in consultation with the Secretary of the Interior and Indian Tribes, was tasked with establishing the methodology to determine the exact amount any one Tribal government would receive based on the Tribal government’s increased expenditures relative to aggregate expenditures in Fiscal Year 2019 and on May 5, 2020, the U.S. Treasury issued the document entitled "Coronavirus Relief Fund Allocations to Tribal Governments," which described the methodology used for distributing the $8 billion to Tribal governments, attached as Exhibit C.

J. On May 5, 2020, the U.S. Departments of Treasury and Interior issued the press release entitled, “Joint Statement by Treasury Secretary Steven T. Mnuchin and Secretary of the Interior David L. Bernhardt on Distribution of Coronavirus Relief Fund Dollars to Native American Tribes,” which announced that on or about May 5, 2020, the U.S. Treasury would distribute 60% of the $8 billion, or $4.8 billion, to Tribal governments, attached as Exhibit D.

K. The Navajo Nation’s share of the $4.8 billion from the Coronavirus Relief Fund initially distributed from the U.S. Treasury on or about May 5, 2020 is six hundred million five hundred fifty-nine thousand five hundred thirty dollars and ten cents ($600,559,530.10). The Navajo Nation CARES Fund Act applies to this initial distribution and to any subsequent distributions by the U.S. Treasury from the Coronavirus Relief Fund.

L. The CARES Act expressly provides that Coronavirus Relief Fund shall be used to cover only those costs that are necessary expenditures incurred due to the public health emergency with respect to COVID-19 and related purposes. The Navajo Nation
Council therefore acknowledges and designates, if necessary, pursuant to its authorities in 12 N.N.C. §820(K), that the Coronavirus Relief Funds that the Navajo Nation receives from the United States under Title V of the CARES Act are not projected revenues within the meaning of the Navajo Nation Appropriations Act, 12 N.N.C. §§800 et seq., and other provisions of the Navajo Nation Code; and shall not be deposited into the Nation's General Fund, but instead shall be deposited into the Navajo Nation CARES Fund. Because the funds are not projected revenue, they shall not be subject to any provisions of the Navajo Nation Code that require a portion of funds to be set-aside and deposited into any other fund of the Navajo Nation.

M. The Navajo Nation Council finds it in the best interests of the Navajo Nation to enact the "Navajo Nation CARES Fund Act" by amending Title 12 of the Navajo Nation Code and establishing the "Navajo Nation CARES Fund" to be comprised of the Navajo Nation's share of the Coronavirus Relief Fund received from the United States pursuant to Title V of the CARES Act.

N. The Navajo Nation Council further finds that because the Coronavirus Relief Fund can and shall only be used for expenditures through December 30, 2020, procurements expending these funds must be expedited, and that CARES Fund expenditures should not be subject to the Navajo Nation Procurement Act, 12 N.N.C. §§301 et seq., and its attendant regulations, and instead shall be governed by the "CARES Fund Expedited Procurement Rules and Procedures" attached as Exhibit E.

Section Three. Enacting the "Navajo Nation CARES Fund Act" and Establishing the "Navajo Nation CARES Fund"

The Navajo Nation hereby amends Title 12 of the Navajo Nation Code, 12 N.N.C. §§ 2501, et seq., as follows:

****

TITLE 12. FISCAL MATTERS
CHAPTER 26. NAVAJO NATION CARES FUND ACT
§2601. Short Title
This Act shall be titled the “Navajo Nation CARES Fund Act.”

§2602. Establishment
There is established the “Navajo Nation CARES Fund” (hereinafter “Fund”).

A. The Navajo Nation hereby designates that the monies that the Navajo Nation has received and will receive from the United States from the Coronavirus Relief Fund pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”), P.L. No. 116-136, at Title V, §5001 (the “Coronavirus Relief Fund”) shall be deposited into the Fund.

B. Any monies deposited into the Fund shall be used exclusively and only as provided in this Chapter and in compliance with the permissible uses of the funds as set forth in the Coronavirus Relief Fund and CARES Act, the Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments issued by the U.S. Treasury on April 22, 2020, and any and all future rulemaking and regulations of the Department of the Treasury or the Department of the Interior.

C. The Fund shall be a continuing account and shall not lapse on an annual basis pursuant to 12 N.N.C. § 820(N).

§2603. Purpose
The purpose of the Fund is to serve as a depository into which the Coronavirus Relief Funds appropriated by the United States for the benefit of the Navajo Nation under Title V of the CARES Act are deposited, and from which the Navajo Nation appropriates funds exclusively and only for the uses specified in this Chapter.

§2604. Expenditures of the Fund
A. Any expenditure of the Fund shall be by an appropriation within the meaning of the Appropriations Act, 12 N.N.C. §§ 800 et seq., and accomplished through the approval of an Expenditure Plan(s) adopted by a two-thirds (2/3) vote of all members of the
Navajo Nation Council, subject to final action of the President of the Navajo Nation pursuant to 2 N.N.C. § 1005(C) (10), (11), and (12).

B. Expenditures of the Fund shall only be for eligible uses of the Coronavirus Relief Fund as defined in Title V of the CARES Act, which includes only those costs that:

1. are necessary expenditures incurred due to the public health emergency with respect to COVID-19;
2. were not accounted for in the Tribal budget most recently approved as of March 27, 2020;
3. are incurred from March 1, 2020 through December 30, 2020;
4. are eligible uses as defined in the Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments issued by the U.S. Treasury on April 22, 2020, which includes the following requirements:
   a. expenditures must be incurred “due to” the public health emergency which means that expenditures must be used for actions taken to respond to the public health emergency; these expenditures may include expenditures incurred to allow the Tribal government to respond directly to the emergency, such as by addressing medical or public health needs, as well as expenditures incurred to respond to second-order effects of the emergency, such as by providing economic support to those suffering from employment or business interruptions due to COVID-19-related business closures;
   b. expenditures must be “necessary”; the Department of the Treasury interprets this term broadly to mean that the expenditure is reasonably necessary for its intended use in the reasonable judgment of the government officials responsible for spending Coronavirus Relief Fund payments; and
   c. expenditures may only be made to cover costs that were not accounted for in the budget most recently approved as of March 27, 2020; a cost meets this requirement if either (a) the cost cannot lawfully be funded using a line item, allotment, or allocation with the budget; or (b) the cost is for a substantially different use from any expected use of funds in such a line item, allotment, or allocation.
d. expenditures must be for costs incurred during the period that begins on March 1, 2020, and ends on December 30, 2020; a cost is “incurred” when the responsible unit of government has expended funds to cover the cost.

5. The eligible uses as defined in any and all future rulemaking, rules, and regulations of the Department of the Treasury or the Department of the Interior related to the Coronavirus Relief Fund as appropriated by the U.S. Congress in Title V of the CARES Act.

§2605. Audit

The Controller shall keep records sufficient to demonstrate that the Coronavirus Relief Funds appropriated by the U.S. Congress to the Navajo Nation have been used in accordance with the CARES Act and §601(d) of the Social Security Act. The Fund shall be subject to an annual audited report by the Navajo Nation’s independent auditor. The Navajo Nation Council and/or the Navajo Nation President may require an audit at any time. The Controller is responsible for providing any and all records required by the Department of the Treasury Inspector General. Pursuant to the CARES Act, Title V, the Department of the Treasury Inspector General has authority for monitoring and oversight of the receipt, disbursement, and use of the Coronavirus Relief Fund; and a Tribal government’s use of the funds for ineligible purposes will become a debt owed to the federal government, the federal government is authorized to recoup the ineligible funds from the Tribal government, and the Tribal government must return unexpended funds to the U.S. Treasury.

§2606. Amendments

This Act may be amended by a two-thirds (2/3) vote of the full membership of the Navajo Nation Council subject to action of the President of the Navajo Nation under 2 N.N.C. §221 (B).
Section Four. Expenditure Plan Requirements and Administration

A. To be eligible to receive an appropriation of Coronavirus Relief Funds as defined in Title V of the CARES Act, Expenditure Plan(s) required by the Navajo Nation CARES Fund Act ("Act") shall, at a minimum, include provisions specifying the following:

1. The specific purposes for which the requested funds will be used and detailed explanation of how such uses satisfy the criteria for eligible costs specified in the Act;

2. Affirmation that the requested funds shall only be used for the purposes specified in the Act;

3. The Navajo Nation division, department, program, chapter, or entity to which the appropriations are assigned and allocated;

4. The Navajo Nation division, department, program, chapter, or entity that is responsible for managing and implementing or monitoring the Expenditure Plan;

5. The job title of the person or persons that will administer the Expenditure Plan and appropriated funds;

6. The mechanism for allocating the funding to Navajo Nation and external entities, programs, and projects through: direct funding; a memorandum of agreement ("MOA") executed by the President of the Navajo Nation; a grant agreement through a specific Navajo Nation department or program; or other mechanism;

7. The accounting and reporting requirements applicable to the funding;

8. The Standing Committee of the Navajo Nation Council with legislative oversight over the activity;

9. Affirmation that the administration, management, and implementation of the Expenditure Plan shall be consistent with the Act, this legislation, and other applicable laws and regulations of the Navajo Nation; and

10. If the recipient of the funding is a non-Navajo Nation government entity, an affirmation that the entity will indemnify the Nation for any expenditures deemed ineligible by the Department of Treasury Inspector General or other federal entity.

B. An Expenditure Plan may be approved by the Navajo Nation Council without detailed budget forms, provided the Navajo Nation division, department, program, chapter, or
entity to which the appropriations are allocated complies with the expedited budget procedures developed by the Office of Management and Budget and approved by the Budget and Finance Committee; in the event the entity to which appropriation(s) are allocated fails to comply with and complete the expedited budget procedures within fifteen (15) days of the date the Expenditure Plan becomes law, the funds allocated to that entity will revert back to the Navajo Nation CARES Fund.

Section Five. Waiving 12 N.N.C. §§ 301 et seq. and Adopting CARES Fund Expedited Procurement Rules and Procedures

To ensure Navajo Nation expenditures using Coronavirus Relief Funds are expended by December 30, 2020 as required by the U.S. Treasury and to prevent the Navajo Nation from being required to repay the U.S. Treasury for any ineligible uses of the funds, the Navajo Nation hereby waives the applicability of the Navajo Nation Procurement Act, 12 N.N.C. §§301 et seq., and its attendant regulations, to the expenditure of CARES Act funding; the expenditure of CARES Act funding shall instead be governed by the Navajo Nation CARES Fund Act, this legislation and the “CARES Fund Expedited Procurement Rules and Procedures” attached as Exhibit E.

Section Six. Prevailing Law

Notwithstanding any provision of Navajo Nation law to the contrary, the provisions of this legislation shall prevail and govern the appropriation and expenditure of funding from the CARES Fund.

Section Seven. Effective Date

This Act is effective upon its approval pursuant to 2 N.N.C. § 221(B).

Section Eight. Savings Clause

Should any provision of this legislation or the Navajo Nation CARES Fund Act ("Act") be determined invalid by the Navajo Nation Supreme Court, or a District Court of the Navajo
Nation without appeal to the Navajo Nation Supreme Court, those portions of the Action or Act which are not determined invalid shall remain the law of the Navajo Nation.

Section Ten. Directives

A. The Controller, with the support of the Attorney General, is directed to enter into a contract with a firm to provide consulting services in a capacity akin to an independent inspector general or auditor general to determine whether expenditures of the CARES Act funding are in compliance with the permissible uses of the appropriated funding as set forth in the Coronavirus Relief Fund and CARES Act, the Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments issued by the U.S. Treasury, the Navajo Nation CARES Fund Act and the applicable Expenditure Plan; to notify the Navajo Nation division, department, program, chapter, or entity to which the appropriations are allocated if any expenditures are ineligible under the CARES Act, etc.; and to provide written reports to the Naabik'íyáti' Committee and the President of the Navajo Nation of all ineligible expenditures.

B. The Office of Management and Budget is directed to develop expedited budget procedures, including forms, if necessary, for the expeditious expenditure of CARES Act funding for approval by the Budget and Finance Committee within ten (10) days of the enactment of this legislation.

C. The Office of the Controller, Department of Justice, Office of Management and Budget and Office of Legislative Counsel are directed to develop an Expenditure Plan template within ten (10) days of the enactment of this legislation.
