RESOLUTION OF THE
NAVAJO NATION COUNCIL

Increasing the Debt Limitation of the Navajo Tribal Utility Authority
Limitation From $75 Million to $200 Million

WHEREAS:

1. The Navajo Nation Council is the governing body of the
Navajo Nation, 2 N.N.C. §102(A); and

2. The current debt limitation of the Navajo Tribal Utility
Authority ("NTUA") is $75 Million, pursuant to its Plan of Operation,
21 N.N.C. §7(B)(12); and

3. The NTUA Management Board has adopted a Four Year
Construction Work Plan (2000-2004) for the construction of electric
distribution facilities and a new NTUA Headquarters Building. A
Summary of System Improvements describing the various construction
projects for the next four years is attached hereto as Exhibit "A"; and

4. As the attached Summary of System Improvements indicates,
NTUA will require up to $36 Million in loan funding to carry out its
Four Year Construction Work Plan. A loan in this amount will cause
NTUA's total outstanding indebtedness to exceed its present debt
limitation; and

5. The Government Services Committee of the Navajo Nation
Council, the Budget and Finance Committee of the Navajo Nation
Council, the Resources Committee of the Navajo Nation Council, the
Transportation and Community Development Committee of the Navajo
Nation Council and the Judiciary Committee of the Navajo Nation
Council, in reviewing comprehensive amendments to NTUA's plan of
operation, all agree that NTUA's debt limitation should be increased
from $75 Million to $150 Million or $200 Million, pursuant to
Resolutions GSCN-68-00, EFMA-30-01, RCJA-02-01, TCDCD-113-00 and JCJA-
1-01, respectively; and

6. The Rural Utilities Service ("RUS"), a program of the
United States Department of Agriculture, is encouraging NTUA to submit
its $36 Million loan application as soon as possible to improve NTUA's
chances of receiving loan funding out of the current federal
appropriations for RUS loans. RUS has indicated that should NTUA
continue to delay submitting its loan application, NTUA may have to
wait for the next funding cycle for loan consideration; and
7. It is in the best interests of NTUA, the Navajo Nation, and the residents of the Navajo Reservation that NTUA's debt limitation be increased to $200 Million to authorize additional borrowing so as to implement NTUA's Four Year Construction Work Plan that will require loan funding in excess of NTUA's current debt limitation.

NOW THEREFORE BE IT RESOLVED THAT:

The Navajo Nation Council hereby amends the Plan of Operation of the Navajo Tribal Utility Authority, at 21 N.N.C. §7(B)(12) as follows:

12. To borrow funds. To borrow money, make and issue notes, obligations and bonds of the Authority for any of its purposes and to secure payment thereof by pledge of, or lien on, all or any of its fixtures, personalty, revenue, income or contracts. The total outstanding long-term debt of the Authority at any one-time shall not exceed $75,000,000.00 $200,000,000.00.

CERTIFICATION

I hereby certify that the foregoing resolution was duly considered by the Navajo Nation Council at a duly called meeting in Window Rock, Navajo Nation (Arizona) at which a quorum was present and that the same was passed by a vote of 51 in favor, 6 opposed and 2 abstained, this 17th day of July 2002.

Re: Navajo Tribal Utility Authority
   Administrative Review of Proposed Legislation
   Amending NTUA's Plan of Operation

Dear Honorable President Shirley:

Enclosed for administrative review are two pieces of draft legislation seeking to amend the Plan of Operation of the Navajo Tribal Utility Authority (NTUA) such that (1) its Management Board would be authorized to grant limited waivers of NTUA’s sovereign immunity and (2) NTUA’s borrowing authority will be increased.

With respect to several projects that NTUA has undertaken and plans to undertake, including the Big Boquillas Wind Project, other wind generation projects, its New Markets Tax Credits financings, among numerous other day-to-day business transactions, NTUA has been requested by counterparties to seek a waiver of its sovereign immunity for enforcement of contractual obligations.

NTUA has had to forego valuable business opportunities in the past due to its inability to quickly obtain a sovereign immunity waiver. The NTUA Management Board is well aware of the situation and has therefore approved a Board Resolution, NTUA-26-09, requesting amendment of the NTUA Plan of Operation to authorize the Management Board to grant limited waivers of NTUA’s sovereign immunity on case-by-case basis.

NTUA also plans to make significant investments intended to improve and expand NTUA’s utility facilities as well as acquire new facilities to serve customers in Utah and the Western portions of the Navajo Reservation. NTUA’s current outstanding borrowing plus new borrowing will easily exceed $200 million, which is NTUA’s current borrowing authority. NTUA wishes to increase its borrowing authority to $500 million.
